Godrej Material Handling is India's largest manufacturer and exporter of forklift trucks and solutions. With the launch of Godrej *RenTRUST*, it now becomes the first Indian OEM to provide end-to-end rental of material handling equipment that serves 3PL, Retail, E-commerce, Airports and Manufacturing industry. Effective today, RenTRUST will operate pan India.

Currently, the Indian material handling industry is struggling with a lack of skilled labour, standardization (palletization), regulations and fragmented nature of business. However, along with GST, many other trends are shifting the industry from being fragmented and unorganized to consolidation towards larger organized players. In addition, the inclination towards asset-light models has created a business opportunity for organized FLT rental businesses in India, which would offer an end-to-end solution.

On the occasion of this strategic announcement, **Anil Lingayat, Executive Vice President and Business Head, Godrej Material Handling, said**, "In Material handling industry, capex in equipment is only 13% of Total Cost of Ownership (TCO) to a consumer. Godrej RenTRUST, our new rental solutions brand, will address the balance 87% of the TCO pie. We have always been at the forefront of innovation by adopting the latest technologies to offer the
